United Methodist General Conference Conversations

As many people are aware over the last few years there has been a lot of conversations on changes in the Methodist Church. Each Rock Church Campus will be holding a "town hall" style meeting in the month of April.

This will help to provide information on what we are hearing and what the possible changes are.

We will have someone taking notes at each of these meetings to record any questions anyone might have that we do not have answers for yet.

Meeting dates:

Plaistow- TODAY after 10:30 worship

North Shore- April 21st after worship.

We encourage everyone to attend, and if the date at the campus you normally attend does not work for you, we would encourage you to attend at one of the others.

Fireproof your Marriage

This six-week small group study is based on the movie Fireproof, and it includes video clips from the film as part of each session. Start date is April 14th and we will meet after the second service at Plaistow. Contact Guy or Susan Birkenmeier with any
