This six-week small group study is based on the movie Fireproof, and it includes video clips from the film as part of each session. We hope you'll relate to and be inspired by Caleb and Kathryn as they work through all-too-common struggles on their way to an enduring marriage based on God's great love
Start date is April 14th and we will meet after the second service at Plaistow. Contact Guy or Susan Birkenmeier with any questions:

United Methodist General Conference Conversations

As many people are aware over the last few years there has been a lot of conversations on changes in the Methodist Church. Each Rock Church Campus will be holding a "town hall" style meeting in the month of April. This will help to provide information on what we are hearing and what the possible changes are. We will have someone taking notes at each of these meetings to record any questions anyone might have that we do not have answers for yet.
Meeting dates:

Sandown- TODAY after worship

Plaistow- April 14th after 10:30 worship

North Shore- April 21st after worship.

We encourage everyone to attend, and if the date at the campus you normally attend does not work for you, we would encourage you to attend at one of the others.

Adopt an Island

We are looking for families and individuals to maintain our gardens in Plaistow.

This is a casual and fun opportunity to serve on your own schedule. Children are welcome to help!

Please join us for an informational meeting on April 20th at 9am. Coffee and donuts provided!

Connection Card Initiative

I got Bridged www.igotbridged.com Through a network of volunteers, sponsors and contributors, our aim is to seek out and help those in need on the Seacoast. Everyone is fighting a battle and by helping others, we take the focus off ourselves. The overall vision of this organization is helping others through providing transportation, assisting the elderly, supporting foster children, feeding the hungry, providing clothing and refuge to the cold, healing for the addicted, time with the lonely, and provision for the poor. The founder, Freddy Petrone, was diagnosed with a rare genetic disorder rendering him blind at 45 years old.
