**CRAFT FAIR DETAILS**

This is a first time event at a well attended church in a community that supports its many events. Rte 121A is a highly traveled road and the craft fair will be located right out in front of the church. Our many groups within the church and the Town of Sandown will be helping support this worthy event to benefit Mastering Motherhood. Local ads and signage will be posted from Plaistow, Atkinson, Hampstead, Chester, Derry and wherever we can get the message out to. We also depend on you, the CRAFTERS, to help spread the word.

Each crafter is responsible to bring their own Canopy, Tables, Chairs and Tent (weights etc.) - sides can be used. If needed, Assistance with set up will be available. ALL CRAFTERS are asked to stay set up and running until 3pm.

**ARRIVAL INFORMATION**

SET UP TIME 7:30-9:00 am. All spaces will be numbered and you will receive your number via email after your application is received and paid for. We ask that you proceed to your assigned space, unload your crafts and equipment and go park your vehicle in the assigned vendor parking area. Our space is narrow and the faster we move in and out is best for everyone. All crafters are expected to be set up 30 MINUTES before we open at 9:30AM.

NO ELECTRICITY WILL BE AVAILABLE AND WE DO NOT ALLOW GENERATOR USE.

DONATED RAFFLE GIFT

Crafters are asked to donate at least a \$10 item for our raffle table.

As the event date approaches, each crafter will receive information on where vendor parking is, along with a flyer to download and to send to your mailing list to help spread the word and/or display in your booths at other craft fairs.

THIS WILL BE A RAIN OR SHINE EVENT. RENTAL FEES WILL NOT BE REFUNDED FOR ANY REASON.
